David Rock

Presenting...

"The Neuroscience of Engagement"

April 27, 2011
6:00 pm - 8:30 pm

**Discover how to drive positive change for yourself,
your team and your clients!**

In this exciting presentation, David will explain how the brain functions at an individual, team and systemic level and share the latest findings from neuroscience to help coaches, "people practitioners," and leaders of all levels enhance engagement and improve performance.

About the Speaker: David Rock is the founder and CEO of *Results Coaching Systems (RCS)* with operations in 15 countries across the globe. In his capacity as CEO, David works with Fortune 500 clients specializing in embedding internal coaching capacity within organizations to develop leaders, retain talent, improve performance, and change culture. A leader in the fields of coaching and neuroscience, David is the author of "Personal Best," "Quiet Leadership," "Coaching with the Brain in Mind," and "Your Brain at Work."
